DAIRY PRODUCTS FOR HUMAN CONSUMPTION

The Agriculture Marketing Service (AMS) endorses this form for dairy products exported to all EU countries except for the UK and Ireland. Veterinary Services (VS) does not endorse export certificates for dairy products for human consumption to other EU member states.

For exports of dairy products for human consumption to the UK and Ireland, The AMS must first endorse the public health Attestation of this certificate. Then the exported must bring the certificate to VS. VS should only endorse the certificate after AMS has endorsed the public health portion.
